ADVISORY

10 SEPTEMBER 2014

To The Filipino Community:

1. Please take extra caution in enrolling students in schools for Filipino children with no accreditation. It's not smart to do this.
2. The undersigned is investigating one such school operating in northern Kuwait.
3. Several Filipino families have submitted their complaints.
4. Their children have not been given their diplomas and cannot graduate or transfer to other schools.
5. Please approach the undersigned for further inquiries.

Thank you very much.

Sincerely,

RAUL H. DADO
Consul General
